Attendance: Voting members: Chris * (Tigers), Nick (Hawks), Sean (SPL), Stephen (ASPL), Drew (Cobras), Matthew (JASM), Marcus (Balto)

Non-Voting Members: John, Pawel, Josh, Anthony

Voting members who should have appeared: Patrol Leader of Tigers (Chase?)

Non-Voting Members who should have appeared: Wesley (Scribe)

* Though Chris is not a member of the Tiger Patrol, he is their troop guide and was their only representative at the council. Therefore he was the one given the vote. Please send a representative (Patrol Leader or his Assistant) to secure your vote.

This weekend:

Stephen and Matthew's Eagle Project will be Saturday 9:00am to 2:00pm. A tent organizing session will follow right after. We think that it will end at the latest at 4:10pm.

Chickasaw District Camporee:

The camporee will be September 5-7 at Knox Scout Reservation.

After much debate, the council decided on patrols for the camporee. The patrols are as follows:

Patrol 1: John, Matthew, Marcus, Drew, Chris, Pawel, Josh, and Thomas

Patrol 2: Stephen, Sean, Nick, Anthony, Gabe, Andrew, and RJ

These patrols were drawn based on who had paid. If you plan to go, Mr. Lint is collecting the money at the meeting next week.

Boshears Skyfest:

Boshears will be October 17-19.

Mr. MacEachern needs to know the attendance in two meetings. He also needs your shirt size for the Boshears volunteer shirts.

More information will follow.

Toe River District Klondike Derby:

Registration of patrols is needed.

Troop Organization:

When new scouts enter the troop, they always form their own patrol.

There may be a reorganization of patrols.

One plan discussed was to keep new scouts separate for six months and then merge them into mixed patrols.

Another possibility is to merge all but the Baltos and Hawks into new patrols and make more patrols as needed.

Troop Leadership:

The council discussed the former SPL guiding the new SPL. This will not obscure the position of ASPL.

September 8:

Registration for Klondike and Boshears must be completed.

Remarks:

If I am wrong about something, feel free to tell me. More information can be found at the troop website.
